

## A gift of your publicly-traded securities to La Gonave Haiti Partners is a smart investment. Here's how you can help:

1. Contact your brokerage firm or bank and fill out the form for charitable donation of shares. Your financial advisor will help you decide which shares are best for you to donate.

2. Contact Dave Higgins with UBS Financial Services at david.higgins@ubs.com to alert him to your donated shares and to receive the necessary account number and Bank DTC number. It is important that transferred shares be accompanied with donor information for you to receive a tax receipt.

3. You will need the following information from UBS:

- Account Name - La Gonave Haiti Partners Inc.
- Bank Name - UBS Financial Services
- Account Number for La Gonave Haiti Partners
- The Bank DTC Number - 0221

The partnership will sell the shares as soon as they are received. The funds will go to support the programs and projects that you designate.

## We thank you for your support of the people on La Gonave, Haiti.
